

## **Rudy and Patti Hein Memorial Scholarship - 2022**

Presented by The Shoemaker Foundation

The Rudy and Patti Hein Memorial Scholarship was created to encourage students to seek and achieve continuing education at any university, college or vocational/technical school. This scholarship will be awarded on a competitive (merit) and need basis to eligible applicants.

### **Amount and Distribution of Award**

The maximum scholarship award is \$10,000 per student, distributed equally over four years or as a one-time distribution (depending on the amount of the award) and distributed as long as the recipient is working toward the successful completion of a qualified program or for four years, whichever is shorter. Scholarship funds can be used only for tuition and other expenses paid directly to the university, college, or school.

### **Scholarship Match and "Full Ride" Opportunity for Students Attending CWU**

The Shoemaker Foundation has entered into an agreement under which Central Washington University will match scholarship dollars awarded to local students. The Rudy and Patti Hein Memorial Scholarship is matched by CWU up to \$2,500 per year.
